Upcoming Public Hearings, and Regular Meeting The Board of Supervisors ("Board") of the River Ridge Community Development District ("District") will hold the following two (2) public hearings and a regular meeting: DATE: August 23, 2022 TIME: 1:00 PM River Club Conference Center Sound Room 4784 Pelican Sound Boulevard Estero, Florida 33928 The first public hearing is being held pursuant to Chapter 190, Florida Statutes, to receive public comment and objections on the District's proposed budget ("Proposed Budget") for the fiscal year beginning October 1, 2022, and ending September 30, 2023 ("Fiscal Year 2022/2023"). The second public hearing is being held pursuant to Chapters 170, 190 and 197, Florida Statutes, to consider the imposition of operations and maintenance special assessments ("O&M Assessments") upon the lands located within the District, to fund the Proposed Budget for Fiscal Year 2022/2023; to consider the adoption of an assessment roll; and, to provide for the levy, collection, and enforcement of assessments. At the conclusion of the hearings, the Board will, by resolution, adopt a budget and levy O&M Assessments as finally approved by the Board. A Board meeting of the District will also be held where the Board may consider any other District business. Description of Assessments The District imposes O&M Assessments on benefitted property within the District for the purpose of funding the District's general administrative, operations, and maintenance budget. Pursuant to Section 170.07, Florida Statutes, a description of the services to be funded by the O&M Assessments, and the properties to be improved and benefitted from the O&M Assessments, are all set forth in the Proposed Budget. A geographic depiction of the property potentially subject to the proposed O&M Assessments is identified in the map attached hereto. The table below shows the schedule of the proposed O&M Assessments, which are subject to change at the hearing:

Land Use	Total # of Units	Equivalent Annual O&M Assessment(1)	Assessment Unit Factor
Residential	1,299	1.00 \$143.39	The Meadows

	164.3534	1.00 \$143.39	(1)

Annual O&M Assessment includes County collection costs and early payment discounts. The proposed O&M Assessments as stated include collection costs and/or early payment discounts, which Lee County ("County") may impose on assessments that are collected on the County tax bill. Moreover, pursuant to Section 197.3632(4), Florida Statutes, the lien amount shall serve as the "maximum rate" authorized by law for O&M Assessments, such that no assessment hearing shall be held or notice provided in future years unless the assessments are proposed to be increased or another criterion within Section 197.3632(4), Florida Statutes, is met. Note that the O&M Assessments do not include any debt service assessments previously levied by the District and due to be collected for Fiscal Year 2022/2023. For Fiscal Year 2022/2023, the District intends to have the County tax collector collect the assessments imposed on certain developed property. It is important to pay your assessment because failure to pay will cause a tax certificate to be issued against the property which may result in loss of title. The District's decision to collect assessments on the tax roll or by direct billing does not preclude the District from later electing to collect those or other assessments in a different manner at a future time. Additional Provisions The public hearings and meeting are open to the public and will be conducted in accordance with the provisions of Florida law. A copy of the Proposed Budget, proposed assessment roll, and the agenda for the hearings and meeting may be obtained at the offices of the District Manager, located at 2300 Glades Road, Suite 410W, Boca Raton, Florida 33431, Ph: (561) 571-0010 ("District Manager's Office"), during normal business hours or on the District's website, <http://www.riverridgecdd.net/>. *Re: River Ridge Community Development District
Notice of Hearing on Assessments to Property*

Dear Property Owner:

This letter is to provide you information about the River Ridge Community Development District ("District"), its services and upcoming events. As you may know, the District is a local unit of special-purpose government located in Lee County, Florida. The District provides certain types of infrastructure for the lands within the District including your property. You are receiving this notice because Lee County records indicate that you are a property owner within the District. The property you own that is the subject of this notice is identified by the Strap # listed above.

Please note that the District's Fiscal Year 2023 Budget, if approved as proposed, will result in the operations and maintenance assessment on your property increasing by no more than \$13.98 per Equivalent Residential Unit (ERU). For more information on your individual assessment amount, please refer to the other side of this page.

It is very important that you understand that this is NOT a new assessment. This assessment has been placed on your property in previous years and you have paid this assessment as part of your Lee County Property Tax bill.

Upcoming Public Hearings

The District will hold a public hearing on **August 23, 2022 at 1:00 p.m.**, at **River Club Conference Center (upstairs above the Fitness Center), 4784 Pelican Sound Boulevard, Estero, Florida 33928**. The purpose of the public hearing will be to consider the adoption of the District's budget and the determination and levy of special assessments to defray operations and maintenance expenses.

The District already imposes special assessments on your property. The purpose of the increase is to offset the costs of the annual financing costs for the planned landscape renovations, that will be taking place in the coming months, along Pelican Sound Boulevard from the Pelican Sound Gatehouse to US 41.

The unit of measurement for this operations and maintenance assessment is the Equivalent Residential Unit (ERU). Our records indicate that you will be assessed for **7.8476** ERU(s) for the property you own identified above and the proposed operations and maintenance assessment for the property you own identified above will

not exceed **\$1,125.27**, which compares to the current assessment for operations and maintenance in the amount of **\$1,015.56**.

It is important to note that the CDD continues to work hard to maintain or enhance the existing infrastructure and/or level of services for its residents. By Statute, the District is not allowed to reserve for replacement funding like homeowner or condo associations are allowed to do. Thus, the District must either utilize a “pay-as-you-go” funding approach or borrow funds necessary to pay to maintain or upgrade the existing infrastructure.

Please note that you have the right to appear at this public hearing and express any objections, suggestions or comments you may have. You may also file written objections within twenty (20) days of the date of this letter to the District Manager, 2300 Glades Road, Suite 410W, Boca Raton, Florida 33431, or contact the District via telephone at (561) 571-0010 or toll-free: (877) 276-0889. By operation of law, the District’s assessments each year constitute a lien against your property located within the District just as do each year’s property taxes. It is important to pay your assessment since failure to pay will cause a tax certificate to be issued against the property which may result in loss of title. The public hearing may be continued to a date, time and place certain that will be announced at the hearing.

In accordance with the provisions of the Americans with Disabilities Act, any person requiring special accommodations at this hearing because of a disability or physical impairment should contact the District Manager at least five (5) days prior to the date of the hearing.

I hope this information is helpful. If you have any questions, please do not hesitate to contact my office. We look forward to your continued interest in the District.

Sincerely,

The unit of measurement for this operations and maintenance assessment is the Equivalent Residential Unit (ERU). Our records indicate that you will be assessed for **8.0126** ERU(s) for the property you own identified above and the proposed operations and maintenance assessment for the property you own identified above will

not exceed **\$1,148.93**, which compares to the current assessment for operations and maintenance in the amount of **\$1,036.91**.

It is important to note that the CDD continues to work hard to maintain or enhance the existing infrastructure and/or level of services for its residents. By Statute, the District is not allowed to reserve for replacement funding like homeowner or condo associations are allowed to do. Thus, the District must either utilize a “pay-as-you-go” funding approach or borrow funds necessary to pay to maintain or upgrade the existing infrastructure.

Please note that you have the right to appear at this public hearing and express any objections, suggestions or comments you may have. You may also file written objections within twenty (20) days of the date of this letter to the District Manager, 2300 Glades Road, Suite 410W, Boca Raton, Florida 33431, or contact the District via telephone at (561) 571-0010 or toll-free: (877) 276-0889. By operation of law, the District’s assessments each year constitute a lien against your property located within the District just as do each year’s property taxes. It is important to pay your assessment since failure to pay will cause a tax certificate to be issued against the property which may result in loss of title. The public hearing may be continued to a date, time and place certain that will be announced at the hearing.

In accordance with the provisions of the Americans with Disabilities Act, any person requiring special accommodations at this hearing because of a disability or physical impairment should contact the District Manager at least five (5) days prior to the date of the hearing.

I hope this information is helpful. If you have any questions, please do not hesitate to contact my office. We look forward to your continued interest in the District.

Sincerely,

The property you own that is the subject of this notice is identified by the Strap # listed above.

WHEREAS, the River Ridge Community Development District ("**District**") is a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes* for the purpose of providing, operating and maintaining infrastructure improvements, facilities and services to the lands within the District; and

WHEREAS, the District is located in Lee County, Florida ("**County**"); and

WHEREAS, the District has constructed or acquired various infrastructure improvements and provides certain services in accordance with the District's adopted capital improvement plan and Chapter 190, *Florida Statutes*; and

WHEREAS, the Board of Supervisors ("**Board**") of the District hereby determines to undertake various operations and maintenance and other activities described in the District's budget ("**Adopted Budget**") for the fiscal year beginning October 1, 2022 and ending September 30, 2023 ("**Fiscal Year 2022/2023**"), attached hereto as **Exhibit A**; and

WHEREAS, the District must obtain sufficient funds to provide for the operation and maintenance of the services and facilities provided by the District as described in the Adopted Budget; and

WHEREAS, the provision of such services, facilities, and operations is a benefit to lands within the District; and

WHEREAS, Chapter 190, *Florida Statutes*, provides that the District may impose special assessments on benefitted lands within the District; and

WHEREAS, it is in the best interests of the District to proceed with the imposition of the special assessments for operations and maintenance in the amount set forth in the Adopted Budget; and

WHEREAS, the District has previously levied an assessment for debt service, which the District desires to collect for Fiscal Year 2022/2023; and

WHEREAS, Chapter 197, *Florida Statutes*, provides a mechanism pursuant to which such special assessments may be placed on the tax roll and collected by the local tax collector

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE RIVER RIDGE COMMUNITY DEVELOPMENT DISTRICT:

SECTION 1. BENEFIT & ALLOCATION FINDINGS. The provision of the services, facilities, and operations as described in **Exhibit A** confers a special and peculiar benefit to the lands within the District, which benefits exceeds or equals the cost of the assessments. The allocation of the assessments to the specially benefitted lands is shown in **Exhibits A and B**, and is hereby found to be fair and reasonable.

SECTION 2. ASSESSMENT IMPOSITION. Pursuant to Chapters 170, 190 and 197, *Florida Statutes*, and using the procedures authorized by Florida law for the levy and collection of special assessments, a special assessment for operation and maintenance is hereby imposed and levied on benefitted lands within the District, and in accordance with **Exhibits A and B**. MEMORANDUM

Date: August 26, 2022
To: River Ridge Board of Supervisors
From: Shane Willis – Operations Manager
Subject: Quality Assurance Audit – Dry Retention
Cc: File

On Thursday, July 8th, Management conducted its annual review of the Dry Retention area, to include photo documentation.

As approved in 2021; the Dry Retention projects commenced on March 21st and were completed on Friday, April 22nd. The primary focus was to recognize areas of over population and an opportunity to remove the overabundance of plant material that has populated over the past eleven years. Projects completed as follows:

- River Course #4: Removal of Maple Tree adjacent to the Tee Box
- River Course #6: Removal of Willow Trees and 50% mowing of Zone One
- River Course #7: Removal of Wax Myrtle trees and trees blown over by Hurricane Irma on the fairway adjacent to the residents side. Trimmed all Palms with dead palm fronds. Discussion/Consideration: Award of Contract for Landscape and Irrigation Renovations

70

71

72

73 **A. Award Memo**

74 Mrs. Adams presented the Award Memorandum, noting the following:

- 75 ➤ Six companies attended the pre-bid meeting and two bids were received.
- 76 ➤ Bids were submitted by Sunny Grove Landscape Nursery (Sunny Grove) and by Hannula
77 Landscaping and Irrigation Inc. (Hannula).
- 78 ➤ The Sunny Grove bid sheet did not include sod and Sunny Grove did not submit a list of
79 comparable projects within the last five years.

80 Discussion ensued regarding contractors who did not submit bid packages, differences
81 between the bids and the references.

82 Mrs. Adams noted that, for Fiscal Year 2022, the CDD has Note Proceeds of \$840,375 to
83 cover the cost of the Roadway Landscape Enhancements and Irrigation Renovations project. She
84 read the CDD Rules, which state that the lowest cost, most responsive and responsible and best
85 bid or the proposal most advantageous to the CDD, as appropriate, shall be accepted.

86 **B. Bid Analysis**

87 Mr. Pires stated that the Board could make a determination to reject the Sunny Grove bid
88 as being nonresponsive, in material aspects and respects. The Board may waive the minor
89 irregularity regarding a missing signature on the Hannula bid before making a decision on the
90 proposals. Mrs. Adams concurred.

91 Discussion ensued regarding additional CDD projects. Mr. Long noted that a portion of
92 the work to be completed is located at five community pools, at a cost of \$22,491.80, and it would
93 be paid for by Pelican Sound, as it includes a portion of The River Club that is outside the CDD.
94 Additional projects to be funded from the Note Proceeds include the proposal of approximately
95 \$56,000 for irrigation clocks, which will be presented for ratification.

96 Mr. Long discussed a \$7,500 proposal from Landscape Architect James McCord for
97 assistance and support for the construction of the entire project, including on-site supervision of
98 extractions, installations, contractor management and planning of potential additional
99 landscaping enhancements, such as the fence line landscape buffer hedge, cul-de-sac
100 enhancements, isolation valves and hardscape enhancements.

101 Discussion ensued regarding additional CDD projects and the reduction of the amount to
102 be approved for the Hannula bid to reflect that \$22,491.80 that would be paid by Pelican Sound.

144
145
146 **SIXTH ORDER OF BUSINESS**

Discussion: Seaside II Drainage Structure

147
148 Mrs. Adams stated this was added at Mr. Schultz's request. Following a rain event, the
149 area was flooded and, upon inspection, MRI observed that it was not caused by a CDD structure.
150 A plugged 12" yard drain caused flooding and the Seaside Association paid the expense to have
151 it cleaned.

152 Mr. Schultz stated a similar situation exists between Masters and the tee area of Lake #7.
153 During heavy rains, the low area along the Masters Circle roadway near the drains fills with water.
154 He expressed his opinion that this is part of the CDDs stormwater management drain system and
155 recommended these structures be included in the group of drains managed and maintained by
156 the CDD. He suggested inspecting them to determine how to address the drainage issues.

157 Mr. Pires stated, in order for the CDD to take responsibility for these structures, the CDD
158 would need a license or a lease agreement if the property is not owned by the CDD. He asked if
159 the pipes are sized appropriately for the CDD to take over them. The consensus was that they are
160 12" pipes. Mr. Pires cautioned against setting a precedent given that the CDD is not responsible
161 for maintaining those areas.

162 Discussion ensued regarding standing water in swale areas that used to have palmettos,
163 moving drains to the swale and using of pumps to remove water in the area.

164 A resident noted that the drain is higher than the standing water.

165 A map of the area, pipes and catch basins in the area were discussed.

166 Mr. Long stated Mr. Krebs would need to inspect the area and give recommendations.
167 Based on the approximate 40,000 square foot size of the area in question, Mr. Long estimated
168 that it might cost \$111,000 for fill dirt to raise the elevation 1'.

169 Mr. Long stated Seaside II cleaned out the area at its expense and Pelican Sound is
170 draining it now.

171 Areas with similar elevations that have not experienced issues were discussed.

172 Mr. Long recalled that the River Ridge Plan allocated stormwater management as an area
173 to consider for future growth.

174

175 **On MOTION by Mr. Blumenthal and seconded by Mr. Twombly, with all in favor,**
176 **authorizing Mr. Krebs to research and provide alternatives for the drainage**
177 **areas, was approved.**

178

179

180 **SEVENTH ORDER OF BUSINESS**

**Discussion/ Consideration: Additional
Parking Request on Turnberry Lake Drive**

181

182

183 Mr. Long discussed the request for additional parking in the cul-de-sac between Turnberry
184 I and II. It might be possible to create five additional parking spots but the question is whether
185 the expense would be the responsibility of Turnberry or the CDD.

186 Ownership of the property, limited parking spaces in the area and whether to allow
187 parking on Turnberry Lake Drive until 10:00 p.m., were discussed.

188 Mr. Long asked if the CDD would accommodate a request by Turnberry I and II to add
189 parking in the right-of-way (ROW) or the utility easement at their own expense. Mr. Adams stated
190 the Board can cooperate to the extent that the Association needs the CDD to give consent,
191 cooperate with the permitting application process and allow use of the CDD's ROW but it would
192 be a function of the Association and at the Association's expense. Mr. Adams stated he would
193 send an email to that effect to Mr. Long, for transmittal to the Association.

194

195 **EIGHTH ORDER OF BUSINESS**

**Acceptance of Unaudited Financial
Statements as of May 31, 2022**

201 Pelican Sound Program Special Revenue Fund, on Page 4. Mrs. Adams stated the annual audit is
202 underway and necessary work will be discussed at the next meeting. She noted that \$18,675 has
203 been spent on the Dry Retention Project. Mr. Adams stated the expenditure might have been

204 included under the “Lake/wetland” line item. Mrs. Adams would ask Accounting to address the
205 issue.

206 Mr. Blumenthal asked about the “Working capital” amount in the Pelican Sound Program
207 Special Revenue Fund, on Page 4. Mr. Adams stated it represents 25% of the annual CDD budget,
208 which is reserved to pay expenses during the first three months of the fiscal year.

209 Mr. Blumenthal asked about the absence of the \$7,500 “Bank Counsel” expense in the
210 Pelican Sound Program Special Revenue Fund – Series 2022A, on Page 5. Mr. Adams stated the
211 fee was paid from the proceeds, when received. Mr. Blumenthal stated the amount is not visible.
212 Mr. Adams stated the amount is reflected in the total but it is in a collapsed cell on the
213 spreadsheet; it would be corrected.

214 The financials were accepted.
