A-1.05 Consultants' Competitive Negotiations Act.

A. Applicability.

Pursuant to Section 190.033(2), Florida Statutes, the provisions of Section 287.055, Florida Statutes apply to contracts for architecture, engineering, landscape architecture or registered land surveying and mapping services ("Professional Services").

1. "District Representative" means the person or group designated by the Board of Supervisors to administer the solicitation process. The District Representative may be the chairperson, the Board, any member or committee of the Board, District Counsel, District Manager, or any other person.

2. "Emergency contract " is a contract necessitated by a sudden unexpected turn of events (e.g., acts of God, riot, fires, floods, hurricanes, accidents or any circumstances or cause beyond the control of the Board in the normal conduct of its business) where the Board finds that the delay incident to competitive solicitation would be detrimental to the interests of the District.

B. Qualifying Procedures.

In order to be eligible to submit a proposal for Professional Services, a firm or individual must, at the time of receipt of submittal to the District :

1. Hold all required applicable city, county and state professional license(s) and certifications in good standing.
2. Hold current occupational licenses or business tax receipts in Lee County.
3. Hold all required applicable federal licenses and certifications in good standing.
4. If the proposer is a corporation or other legal entity, possess and maintain a current and active status as such legal entity and, if organized and established in another state other than Florida be authorized to do business in Florida in accordance with Florida law.
5. Meet any other prequalification requirements set forth in the project, study activity or proposal specifications.
6. Not have had any contact or communication with any Supervisor contrary to the provisions of Section A-1.02.H above herein.

Proof and evidence of compliance with these requirements shall be submitted with the proposal.

C. Public Announcement

Prior to a public announcement that Professional Services are required, the Board shall identify, if applicable, the planning or study activity or the project as meeting the threshold requirement. Except in cases of valid public emergencies, the District shall announce each occasion when Professional Services are required or desired by publishing a notice providing a general description of the project the services or the planning or study activity desired and the method for interested consultants to apply for consideration. The notice shall appear in at least one newspaper of general circulation in the District and in such other places as the District deems appropriate. The District may maintain lists of persons interested in receiving such notices. Persons who, within the previous one (1) year, provided their name and address to the District office, in writing, for inclusion on the list, shall receive notices by mail. The Board has the right to reject any and all proposals, and such reservation shall be included in the public announcement. Proposers not receiving either a ranking sufficient to qualify them to negotiate with the District or a contract award shall not be entitled to recover from the District any costs of proposal preparation or submittal.

D. Competitive Selection.

1. The Board shall review and evaluate the data submitted in response to the notice described above with respect to qualifications and performance ability, as well as any statements of qualifications on file. The District Representative shall conduct discussions with, and the Board may require public presentation by no less than three firms regarding their qualifications, approach to the project, and ability to furnish the required service.

2. The Board shall, following the review and/or public presentation, select and list not less than three firms, in order of preference, deemed to be the most highly capable and qualified to perform the required Professional Services, after considering these and other appropriate criteria:

- A. The ability and adequacy of the professional personnel.
- B. Past performance for the District and in other professional employment settings.
- C. Willingness to meet time and budget requirements.
- D. Geographic location of the firm's headquarters or office in relation to the District.
- E. Recent, current and projected workloads of the proposer.
- F. Whether the firm is a certified minority business enterprise.
- G. Volume of work previously awarded by the District to the proposer.

Nothing in these rules shall prevent the District from evaluating and eventually selecting a Professional Services provider in the event that less than three responses, including responses indicating a desire not to submit a formal proposal on a given project, are received.

3. If the selection process is administered by any person other than the full Board, the selection made will be presented to the full Board with a written recommendation that competitive negotiations be instituted with the selected firms in order of preference listed.

E. Competitive Negotiations.

1. After the Board has authorized the beginning of competitive negotiations, the District Representative shall begin such negotiations with the firm listed as most qualified to perform the required Professional Services, in an attempt to arrive at an agreed upon compensation which is deemed to be fair, competitive and reasonable.

2. Should the District Representative be unable to negotiate a satisfactory agreement with the firm determined to be the most qualified at a price deemed by the District to be fair, competitive and reasonable, within 10 business days unless modified by the Board,

negotiations with that firm shall be terminated and the District Representative shall immediately begin negotiations with the second most qualified firm. If a satisfactory agreement with the second firm cannot be reached within 10 business days unless modified by the Board, those negotiations shall be terminated and negotiations with the third most qualified firm shall be undertaken.

3. Should the District Representative be unable to negotiate a satisfactory agreement with any of the selected firms within 30 business days unless modified by the Board, additional firms shall be selected by the District, in order of their competence and qualifications. Negotiations shall continue, beginning with the first-named firm on the list, until an agreement is reached or the list of firms is exhausted.

F. Emergency Contract.

In cases of valid public emergencies certified by the District Manager to the chairperson or vice-chairperson, the District, through its District Manager, may enter into an emergency contract for Professional Services without complying with these rules. The fact that an emergency contract has occurred or is necessary shall be reported to the Board, noted in the minutes of the next Board meeting and ratified by the Board.
